Our Mission is to assist seniors by improving their quality of life through educational programming, intellectually, physically, socially and spiritually... Living Life and Loving It!

Dear Members, Friends and Sponsors of the Shepherd’s Center,

After much thought and consideration, the decision has been made to move the summer session of Adventures in Learning to a virtual session. What does this mean????

Adventures in Learning will be offered via the Zoom Platform of online meetings. We will have one class an hour nine—noon, Mondays—Fridays. This will allow us to offer up to 15 classes. By having one class an hour, you may be able to try out a class that you have not had the chance to try before. Every attempt has been made to offer a variety of classes. You may take as many classes as you like for a set fee of \$30. The session begins on Monday July 6 and will last for 6 weeks .

Once you register and pay for your classes, you will be emailed a meeting ID number and password for each individual class. The ID number and password will remain the same for the duration of the session. (ie one id number for Elder Law, one for Iphone...)If you do not have email, we will call you with the information to log on to the meeting.

I know what you are thinking, I have never used Zoom; I can’t do this. YES, YOU CAN! You may log on to a Zoom Meeting via your computer, tablet, smart phone or you can even call in on a land line.

During the month of June, Christy will have practice meetings that you may participate in. Christy will also work one on one with you if necessary to make sure you can join in the fun.

I hope you try out this new way to meet and we hope to be back live, in person in the fall.

Sincerely, Suzanne Tower, Chairman of the Board of Directors

Then you will be asked if you would like to join with your computer audio; press yes. And, like magic, you are in a room with your instructor and your classmates. When in a large group meeting, you should always mute your audio unless you are speaking so background noise does not interfere with the meeting.

Christy will be available for the month of June to do practice Zoom meetings, to meet with you to show you how to use your device with zoom, and to walk you through the whole process. This is a great time to embrace new technology to help us stay connected with our friends.
