Senior Adults are important to our community!

They are a generation that exemplifies values, integrity, commitment, generosity and a strong work ethic. They give their time and talents in many areas of service to our community!

The public will be asked to nominate individuals for the Golden Years Gala Service Awards in the following areas: Volunteer Woman of the Year, Volunteer Man of the Year, and the Ernie Cohen Lifetime Achievement Award.

Your sponsorship will not only underwrite this event, it will also benefit The Shepherd's Center of Orange Park in continuing to provide services to improve the quality of life of senior adults through award-winning educational programming and events.

This nonprofit, that serves hundreds of seniors annually, does not receive government funding. Your partnership greatly assists this organization as the cost and demand for senior services continues to increase.
